

LE SECRET inVINITY

MERLOT

This 100% merlot originates from the ideal terroir for the cultivation of this specific grape variety: Bordeaux, specifically the right bank of the Gironde.

It has a very intense, fruity nose of blackcurrant and cherry. The wine also displays a hint of dark chocolate that is so typical of merlot from this region. The wine has a slight touch of wood, a round taste, juicy, with mellow tannins and a reasonably long finish.

This wine is perfectly ready to drink, yet can be left to mature for a few more years. It is a perfect partner to red meat dishes, stews and cheese.
