

MALBEC-MERLOT

This seductive wine comes from the lower flanks of the Andes where the most pure environment has taken the Malbec and Merlot grapes used in this wine to optimum maturity.

The knowledge and expertise of the renowned winemaker Rudolfo Montenegro also lies at the heart of this sunny, juicy and fruity wine. A brief aging in oak barrels provides additional complexity and a well-balanced palate.

This wine is a perfect match with most meat and cheese dishes, but why not just enjoy a glass with some friends!

Nose: Blackberry, plum and sweet spice. Rich, ripe expressive aromas.
